Obituary

George H. Fambro II passed away on Valentine's Day, February 14, 2023. George was born in Macon, GA to George and Ezelle Fambro on January 20, 1947. He attended Ballard Hudson High, Hampton Institute (now Hampton University), where he earned a Bachelor of Architecture and University of California- Berkeley, where he earned a Master of Architecture.

Having been in ROTC at Hampton, George had a commitment to the Army and completed his active duty for training at Fort Belvoir, VA. He then began his career as an architect in San Francisco and Oakland, CA, before working throughout Maryland-DC-Virginia at: Rogers Taliaferro Kostritsky Lamb (RTKL), The Hechinger Company, Hughes, Rouse Company, and General Growth.

George later put his great skills to use with Fambro Enterprises LLC, and supported the victims of natural disasters as a civilian with Federal Emergency Management Agency (FEMA).

You'd find George on the outdoor courts at Centennial Park as soon as the weather permitted, or indoors at The Athletic Club or Supreme Sports Club working out and/or working on his game. George's handball friends truly brought him joy! He was looking forward to joining his friends on the courts this Spring in preparation for the Eastern Regionals 3-Wall Tournament (Ellicott City, MD) and USHA 3-Wall National Championships (Maumee, Ohio).

He is survived by his loving wife, Karen; children: Michelle, Michael, and Nicholas; step-children: Tanya, Erica, and Jimmy; daughter-in-law Selina, son-in-law Jeff, sister Dianne Newsom and brother-in-law John Newsom; former wife Jeanett; 12 beloved grandchildren, nieces, nephews, and many other loving relatives and friends.
